Dear Company, Business, Franchise...

This is a letter respectfully requesting your participation in a worthwhile Church and Community Event. November 2nd – 4th, 2018, the ACTS church will be celebrating 28 years of Women's Ministry with our 28th Annual Women's Conference.

We are requesting your participation in this Event by donating items that will be used as Door Prizes and Registration Gifts for our members and guests throughout central Arkansas. Any and all donations that you are willing to assist us with will be greatly appreciated. All businesses donating items will be given special recognition during our services as Sponsors and Contributors will be listed within our Ad Book, which will be distributed to our guest and members throughout Central Arkansas.

We thank you in advance for your participation in playing a very vital part in this year's Celebration. Your support and donations are greatly appreciated. May God truly bless you, your business and your clientele is our prayer.

Sincerely,

Lady Jacqueline Y. Stewart,
ACTS Women's Ministry President

Suffragan Bishop Frank H. Stewart,
Sr. Pastor
